

Teachers Meet With Public School Board, Discuss Problems

Members of the teaching staff of Newmarket's three public schools attended a meeting of Newmarket public school board last evening.

They heard read to the board by Secretary R. L. Pritchard a letter on their behalf signed by H. A. Jackson, Fred. Hall and Miss Evelyn Denne asking the board for certain increases and a graded schedule of annual increases.

Chairman Mrs. J. C. R. Edwards promised careful consideration of the requests made.

Members of the staff were invited to discuss their problems with the board and make suggestions for the improvement of the schools.

Mrs. Edwards invited Miss Elsie Campbell to tell the board about an article she had written in a recent teachers' magazine. From there the discussion went on to cover books needed in the classrooms, supervision of recreation, citizenship and teaching objectives.

"Has there been a chest clinic in recent years?" asked Mrs. O. P. Hamilton. "Some of the pupils have a tuberculosis history and many mothers are

Travelled By Plane And Jigger To Help Patients

Stricken Tuesday, Dr. Oliver Mowat Beattie, 60, who had practiced medicine in Sutton West for 20 years, was taken by ambulance to the Toronto General hospital, where he died on Wednesday.

Dr. Beattie was noted for his devotion to his patients. Several years ago, when snow-blocked roads made travel impossible, he chartered a plane to pay a visit to a sick child at Baldwin, ten miles distant. Last winter, when roads were impassable, he obtained a "jigger" and travelled on the rails to Zephyr to attend a patient. He was the physician for the Indian reserve, Georgina Island.

Born in Stuyven, the son of the late Mr. and Mrs. John H. Beattie, he graduated from the University of Toronto in 1923 and was an intern at the Toronto General hospital. He was a member of the Masonic Order, the I.O.O.F., the United Church, the Sutton West Curling club and the Belair Golf club.

Surviving are his widow, Elva (Giffen) Beattie, two sons, Peter and Paul, a sister, Sadie, of Stuyven, and five brothers, Hector, of Stuyven, and Edward, of Stuyven, William, of Stuyven, assistant general manager for the Canada Life Assurance Co., Toronto, and R. Leslie Beattie, vice-president and general manager, International Nickel Co. of Canada Ltd., Copper Cliff.

GLENVILLE FARMER SERVED AS TRUSTEE

In ill health for some months, Gilbert W. Staley died at his home, lot one, concession three, King township (Glenville), last Thursday. He was 64 years old.

Mr. Staley was born at Uxbridge on Feb. 27, 1880, a son of Adeline Lapp and Jacob Staley. He married May Weston on Sept. 17, 1901.

Mr. Staley was employed with W. H. Evans & Co. for 15 years and then turned to farming. He was a member of the Anglican church and served as a school trustee at Glenville for some years.

Surviving are his widow, two sons, Irving and Frank, at home, two daughters, Mrs. Alfred Brodie (Greta), Aurora, and Constance, at home; two brothers, Victor, Port Huron, Mich., and Ernest, Toronto; two sisters, Mrs. George Mann (Sarah), Calgary, and Mrs. Frank Hart (Beat), Toronto; and one half-sister, Mrs. Carrie Long, Aurora, and two granddaughters, Constance and Margaret Brodie, Aurora.

His brother, Victor, Port Huron, Mich., and his sister, Mrs. George Mann, Chicago, were present for the funeral.

The pallbearers were Chalmers Black, Frank Horner, Ross Black, James Webster, Joseph Hodgins and Aubrey Donn.

Rev. Canon P. J. Kife, Aurora, conducted the funeral service at the chapel of Roadhouse and Rose on Sunday afternoon. Interment was made in Newmarket cemetery.

YOUNGER MCGANN BOY IS WOUNDED IN ITALY

Word has been received by Mrs. Elizabeth Hmart, Newmarket, that Pte. Chas. Henry McGann, 21, Newmarket, son of Henry McGann, Newmarket, has been wounded in action in Italy. An older brother is also serving overseas.

IS THIS A RECORD?

Two pairs of twin calves were born on the farm of Eugene Flanagan, Queensville, last Saturday and Sunday, within 36 hours. It is not known if this is a record, but it is unusual.

RED CROSS OBJECTIVE IS NOW WITHIN REACH

With a number of canvassers still to report, and two days more to go, the Newmarket Red Cross campaign total has reached \$6,900, Chairman H. E. Lambert said today.

"We expect to make our total of \$7,500," said Mr. Lambert. "There are many new givers this year."

The rural area between Yonge St. and the Ontario county line, from Huron St. to the Armitage sideroad, has contributed \$400 to \$500 to the total, said Mr. Lambert. About 50 ladies are making the Newmarket canvass.

FIGHTS FOR "FREEDOM FOR." WRITES WITHROW

Staff-Sgt. J. F. Withrow, formerly with the Newmarket Era, has been awarded second prize in an essay contest sponsored by Canadian Press News, weekly newspaper for Canadian servicemen overseas. The essay was entitled "Why Do You Fight?"

Staff-Sgt. Withrow was born in Calgary and attended school in Winnipeg. He is now stationed with an ordnance depot in Britain.

Staff-Sgt. Withrow married Betty Gairbairth of Newmarket, who is now living in Winnipeg. His mother, Mrs. Percy Withrow, Winnipeg, is visiting her sister, Mrs. B. W. Hunter, Newmarket, this week.

"I'm fighting for my life," he wrote. "Or, more specifically, I'm fighting for the kind of life that Canada has given me, the kind of life which Canada will give my son. It's a life worth living. It's a life worth dying for. It's a life of freedom."

"For much as self-interest may blind us at times, in Canada the key to sane and healthful government rests in the hands of the people. Given that condition, we in Canada may hope to follow the road which leads to eventual perfection of freedom. Canada must continue to be free. That's why I'm fighting."

OPERA POSTPONED

Pickering College Glee club's presentation of the "Mikado" has been postponed a week to Thursday, Friday and Saturday, March 30, 31 and April 1. It will be under the direction of R. E. K. Rourke.

Pruning Should Be Done Now—Horticulturalist

(By Rudy Henslow, Newmarket Horticultural Society)

From now on it is time to think in terms of pruning. Most kinds of plants will require pruning during the next two months, shrubs, vines, roses and fruit trees. We must take advantage of every mild day. Fruit trees are, of course, the most important and with the new dwarf fruit trees becoming so popular, there is no reason why every garden, however small, should not have a fruit tree or more.

The reason for pruning fruit trees is, of course, to improve both the quality and quantity of the fruit. When pruning we must, of course, keep in mind the age of the tree. Young trees and non-bearing trees are pruned lighter than older and heavy-bearing trees. The amount of pruning is increased annually to stimulate the growing of enough new wood to maintain bearing.

Pruning is done while the tree is dormant, preferably in the late winter. Remove all dead, diseased and broken branches first. The next ones to go after are the ones crossing each other. Cut out the poorest or least desirable one. The same goes for close parallel branches. If the tree is getting too wide or grows too tall, head it back to good husky low limbs. All branches growing back into the tree are removed and, when deemed necessary, thinning is resorted to. Cut all branches and twigs close to the base to insure healing over. It is important to try to picture the tree full-grown when you start pruning a young tree.

Care should be taken to pick branches which form good strong crotches. When the trees grow older it should just be a matter of trimming enough to keep the tree from getting too thick. A tree wants the sun and wind in its hair, as the saying goes.

IT'S GOODNIGHT TO HOCKEY AT CAMP 23

By GEORGE HARKETT, JR.

The 1943 hockey season is history. From a canal town viewpoint, the season was off to Georgetown on Thursday to tackle the Brampton Bulls in the second game of the semi-finals. The Bulls rattled away to the merry tune of 18 goals, while holding the Redmen to two. Georgetown's consolation had it pretty well their own way all evening, counting six in the opening session, five in the second and topping it off with seven in the final frame.

The marksmen for the two Newmarket scorers were Johnny Callahan and Walt Zukl, one coming in the opening and one in the second, with the old reliable defence partner, Jack Wheeler, handling his front-line mates the usual on both. "Gus" Preston had to retire early in the middle chucker, after he spilled over the Brampton net-guardian and collided with the goal-post.

Practically every front-liner with the Bramptonites had a hand in the scoring. "Joint" McComb, Ted Lister, Jim Thorpe, Joe Jannelli and McLaughlin each finding the net for three.

Brampton now goes into the group finals against T. & B. of Camp Horden. The T. & B. squad eliminated the No. 2 C.A.C.F.T. squad in two straight games. The games in this series will likely be played at Midland.

FORMER NEWMARKET WOMAN DIES IN CITY

Mrs. Margaret Louise Harrison, Toronto, died at the Queen Elizabeth hospital, Toronto, on Saturday, after an illness of nine years. Her husband, William Harrison, preceded her in 1930. She had lived in Newmarket and Newmarket for a number of years.

Mrs. Harrison was a member of the United Church.

Surviving are two sons, Frank, Thornhill, and Charles, who is serving with the Canadian army in Italy, four daughters, Mrs. Bertha Fraser, Mrs. Mildred Lindsay, Mrs. Valeria Cryderman and Mrs. Irene Wright, one brother, Harry Peterson, Toronto, and three sisters, Jenny and Mary Peterson, Toronto, and Mrs. Eva Johnson, Niagara Falls.

The pallbearers were A. E. Jarvis, J. P. Jefferson, Frank Robinson, Sgt. George Smart, Howard Lake and Percy Harrison.

Rev. Henry Cotton conducted the funeral service at the chapel of Roadhouse and Rose on Tuesday afternoon. Interment was made in Newmarket cemetery.

PLASMA IS NEEDED NOW

"As long as Canadian boys fight and suffer wounds that we may live in liberty and peace, just so long will the Red Cross call for volunteers for the blood donors' clinic," Mrs. G. E. Case of the Newmarket Red Cross said this week.

"Give now so that a sufficient supply of plasma will be where it is needed, when it is needed," she urged.

The next clinic is on March 24.

ATHLETICS, STUDIES AT N.H.S. GO ON PARADE

Newmarket high school was a popular place on Friday evening when a large number of parents and friends, as well as students and staff, were there for "open night."

The visitors saw splendid classroom exhibits of the work of various departments of the school, including health, English, mathematics, geography, music, art, typing, history, bookkeeping, writing and shorthand. There were attractive posters in the library and the fine equipment was demonstrated in the science laboratories. In addition there was a large display of knitting done by the girls for the Red Cross Society.

The gymnasium was packed to the doors for the demonstration by the physical culture classes under Miss Esther McGee and H. C. Westbrook. These consisted of a junior gym table by the girls, a Danish exercise table by the boys, a square dance by the girls, apparatus work by the boys, tumbling by the girls, mat work by the boys, and closed with a waltz, in costume, and a march by the girls. The tumbling work by the boys was particularly outstanding. "Shorty" Greenwood "stole the show."

Following the intermission for further inspection of the classrooms a program was given in the auditorium, presided over by Principal J. B. Bastedo, who welcomed the visitors.

Reta Horner, winner of the senior girls' oratorical contest, gave an interesting address on "Poetry," quoting from a number of her favorite poems. A girls' three-part chorus sang two delightful selections.

William Hill, Hazel McNeer, Grant Blight, Doreen Shropshire and Beulah Rutledge took part in a one-act comedy by Ronald Elsie entitled "His First Shave." The stage setting was attractive and the cast handled capably the amusing episode of a young gentleman's first efforts to remove a somewhat negligible beard.

Keith Branton, winner of the senior boys' oratorical contest, gave a fine address entitled "Things That Are Most Excellent."

The school glee club, accompanied at the piano by Ruth Winger, closed the program with several lovely numbers. The music was under the leadership of Mrs. Ada Morgan.

Mayor Would Have Town Purchase Newmarket Arena

"We talk of the interest we have in our youth," said Mayor Dr. L. W. Dales at a town council meeting on Monday evening.

"I feel that the Lions club is moving in the right direction in providing a playground in the summer-time," said Dr. Dales. "We might move in the direction of providing something in the winter-time. I am told that the arena could be purchased. It would be a fine thing to have free skating for our citizens."

The council received completed questionnaires from the Ministerial Association and the Home and School Association, originating with York county council.

Both organizations said that there was no increase in juvenile delinquency in Newmarket but said that there was need for additional youth leadership.

"We feel that the great need is for a recreational director who could organize present facilities to the best advantage," said the Home and School Association.

HELP RED CROSS

The Newmarket Veterans' Association has made a gift of \$20 to the Red Cross.

Extra Constable And Night Cruiser For Town Discussed

Newmarket town council received on Monday evening a petition, sponsored by north end business men, but more widely signed, asking the appointment of an additional constable and purchase of a police cruiser for patrol of the town at night.

The council seemed to be agreed on the need for an additional constable at night, but reached no decision. On behalf of the sponsors of the petition, and a delegation of north end business men, Frank Courtney expressed the readiness of the business men to pay a share of the cost.

Debate concerned whether the cost should be placed on all taxpayers entirely or in part, whether Main St. business people should be relieved of paying part of the cost of the Main St. patrol, and whether the town should continue to pay for the use of the car of Chief James Sloss and the car of whomever might be engaged as the additional constable.

"I felt humiliated when Mr. Perks' place was broken into and he lost a considerable sum of money, and then the dairy was broken into a few weeks later," said Mayor Dr. L. W. Dales. "Suggestions were invited from the north end business men."

"It is felt by our police committee that the present system is very inefficient," said Councillor Wm. Dixon, chairman of the police committee. "We have Chief Sloss working 24 hours a day. Constable Mount's duties are patrolling Main St. at night from the top of the hill to the waterworks."

He said that Chief Sloss often works 16 hours a day.

Mr. Dixon proposed employment of an additional constable and purchase of a car. This would cost \$1,500 for salary, \$450 cost of operating car, depreciation of \$250 on car (later amended to \$300), a total of \$2,250, less \$450 now paid to Chief Sloss for upkeep of his car, making a net cost of \$1,800.

Mayor Dales said that he had a letter from the Davis Leather Co. offering to pay a share of the cost of a patrol of the north end of the town.

"But I feel that the north end

has been contributing to the cost of the Main St. patrol and they should get something back," said Dr. Dales. "I feel that the town should assume the cost of two police."

Councillor Frank Bowser said that if the town was going to assume the cost of two police it should also assume the complete cost of the Main St. constable.

Councillor Joseph Vale thought that the town had had good police protection and wanted to be sure that the town was not assuming a permanent expense to deal with a temporary condition.

"It looks to me as if the general taxpayer is going to be paying a mill, and he is going to benefit the least," said Councillor J. L. Spillette.

Mr. Bowser said that, with war savings certificates and bonds in homes, the general taxpayer would benefit from a night patrol of the whole town.

Council and Solicitor N. L. Mathews, K.C., said that Main St. properties have higher assessments and that it would not be unfair if they had closer protection than the home-owner.

Mr. Vale said that Main St. merchants weren't objecting to paying approximately \$800 toward night patrol, and that in some instances this tax was paid by the tenants, large corporations which were not paying any more taxes than they should.

Councillor Albert Higginson did not favor lifting all expense off Main St., but considered it imperative to get a constable and a cruiser and to patrol the back streets of the town at night.

Councillor J. A. Perks wanted something done but was in favor of whatever plan would be of benefit to the greatest number of people.

Deputy-Reeve A. D. Evans said that burglars did not stay away from municipalities with police cruisers.

"A cruiser wouldn't solve the problem you think it would," said Reeve Fred A. Lundy.

Chief Sloss regarded a police cruiser as a preventive measure. It would prevent break-ins rather than catch persons breaking in.

The council expressed appreciation of extra work done by Chief Sloss in recent weeks and assistance given him by County Constable Ronald Watt.

DISCUSS SOLDIER RE-ESTABLISHMENT

Mentioned in dispatches for his conduct at Dieppe, Capt. J. A. Catto, Toronto, veterans' welfare officer, D district, called on Mayor Dr. L. W. Dales recently to discuss formation of a citizens' rehabilitation committee.

Mayor Dales informed him that the town council had already set up such a committee.

Capt. Catto outlined the government program for re-establishing returning soldiers in civilian life. Booklets are obtainable setting out in detail the plans made.

There is provision for vocational training and living allowance for the discharged soldier and his dependents while taking such training. Students whose education was interrupted by enlistment may enter a university and study at government expense for a period dependent on length of service.

For soldiers who wish to engage in full or part-time farming loans are available up to \$4,800. Farmers waiting for returns from their farming are, like soldiers awaiting employment, entitled to an allowance comparable to unemployment insurance benefits.

ATLANTIC EXPERIMENT

Farm Forum Guide tells of an interesting experiment being conducted by the Nova Scotia government. Until Nov. 30, 1944, the N.S. department of agriculture will pay one-third of the cost (up to \$600) of a tractor, tractor plow, tractor disc or spring-tooth harrow bought by an agricultural society, co-operative or other farmers' organization.

Co-operative or group ownership of machinery, if it proves feasible, will reduce farm production costs, or increase production, or both. While increased production is desirable now, and is likely to be desirable for several years to come, the day will come when increased production may merely add to the farmer's problems. He will be well advised to spend the years of grace in building his Federation of Agriculture and in devising plans which will assure him a fair return for his work and investment.

WHAT OTHERS THINK

MAKING SHOP UNIONS ILLEGAL

(Orillia Packet and Times)

What grounds are there for the demand that shop unions should be made illegal? We have seen this demand made frequently but have never seen any attempt to explain wherein lay the crime, nor to give reasons why the law should interfere with freedom of choice on the part of the employees in a plant. On the surface, it would appear that, provided the employers

are prepared to "play ball," the shop union would be the ideal arrangement, both for bargaining and for co-operation for mutual advantage. It avoids the natural antagonism occasioned by the injection of outside agencies into the relations between employers and employees.

In the absence of other reasons, it can only be presumed that the object of legislative restriction on shop unions is motivated by a desire to create a monopoly and to put undue power in the hands of the big unions—as, for instance, the opportunity to promote a widespread strike which may affect thousands of men who have no quarrel with their employers or fault to find with the conditions under which they are working. There are a couple of shop unions in Orillia which, we understand, are proving very satisfactory to both employees and employers. Other factories have preferred to join the international unions. That is their privilege. But we can see no reason why freedom of choice in the form of organization should be restricted by law.

CANADA'S NEWEST CRIME

(Midland Free Press Herald)

It has now become a crime in Canada to make money.

When C.C.F. leader Coldwell wishes to pour scorn on anyone he refers to him as a "money maker." If anyone seeks to make a profit his name is anathema. Some preachers take up the same strain.

One wonders if Mr. Coldwell has no ambition to better himself materially? Is he not seeking profit by the election of the C.C.F. to power? He may not be after financial gain, but he desires power, which is another form of wealth. Do the preacher economists always turn down calls with larger salaries attached?

Just how the profit motive which has governed all business exchanges between mankind through all the centuries is to be eliminated when the C.C.F. comes into power we find it hard to understand. Will men suddenly lose all the selfish instincts natural to the race? Will C.C.F. politicians forego seeking the advantages that come with higher positions in the party councils, or will they behave like most other politicians?

No slur is intended, for everyone recognizes that C.C.F. leaders are men of high ideals. But so are many other men who think differently on economic questions. Both lots, however, are human.

ROAD IMPROVEMENT FOR MARSH PLANNED

By GEORGE H. MITCHELL, M.P.F. FOR NORTH YORK

This week we wound up the debate on the speech from the throne, and we expect to have three or four days of straight legislative business, considering as many bills as possible, before the budget is brought down.

The throne speech debate has covered three weeks, but by no means all that time has been devoted to speech-making. At almost every sitting, in fact, the debate was only sandwiched in after we had dealt with as many bills on the order paper as the government wished to have discussed.

Some surprise was expressed because the opposition didn't bring in an amendment to the resolution to accept the speech from the throne. Most of us felt, however, that we had made our position clear enough. We welcomed the progressive measures proposed and were only sorry that there weren't more of them or that they didn't go far enough. We decided therefore, not to put any obstruction in the way of the government's going ahead with its program.

A matter of particular interest to the residents of the Holland Marsh, and the people of King township, West Gwillimbury and Bradford is Bill No. 37, "Holland Marsh Roads Act." When passed, as it appears that it will be, this bill will enable residents of the Holland Marsh area, or part of the area, to petition the local council to create by by-law a road improvement area. Such petition must be signed by two-thirds of the owners of all lots in the area and shall represent at least one-half of the total value of all lots in the area. This should help clear up a situation that has been unsatisfactory for many years insofar as both the Marsh residents and other King township residents were concerned.

Another important bill was in-

duced by William Dennis (C.C.F., Toronto St. David's) to enable municipalities to set up a municipal doctor system after it has been approved by two-thirds of the voters in a plebiscite. There is nothing compulsory in the bill; it gives the voters in each municipality a free hand to make their own decisions. The Federation of Agriculture has been asking for such a bill for many months.

There have been a large number of speeches during the week, and I am afraid I cannot do much more than give a few highlights.

Hon. Charles Daley, the minister of labor, said he agreed with a number of the proposals that had been made for more social security, but he was a little worried about where the money was coming from. He also gave us a little more information about the government's plans to extend the new dominion war labor code to cover all industries in Ontario.

Last Tuesday we were pleasantly surprised when Capt. A. W. Downer (Prog-Con., Dufferin-Simcoe) took his seat in the house. Capt. Downer, who has just returned on leave from active service in Italy, told us something of the conditions in that theatre of war, warned us that the war is not yet won by any means and that we must be ready to make great sacrifices, and urged us to give real leadership in opening up new horizons for our fighting men when they return home.

In my capacity as reeve of North York township I took the opportunity of urging the government to announce its plans regarding education as soon as possible, since municipalities are awaiting that news before they strike their tax rate.

Ross McEwing (Lib., Wellington North) attacked the packing plants as a monopoly and charged that they suppressed competition by agreeing together on the price they would pay for farm products. He told of one farmer who shipped four carloads of cattle to Toronto. He

refused the first price offered him, but after waiting three days found that not another buyer would even give him a bid. He loaded the four carloads up and went on to Montreal and discovered that every commission firm and packing firm in Montreal had received a wire from Toronto telling them the Toronto plant had bid so much on the cattle, and not one Montreal firm would raise it. That, he charged, was pure monopolistic control.

Leslie Hancock (C.C.F., Wellington South) urged encouragement of proper conservation measures to prevent the waste of soil resources.

B. E. Leavens (C.C.F., Toronto Woodbine) had a brush with Premier Drew over the question of farm tenure. Mr. Leavens quoted a statement by Mr. Drew that the C.C.F. would not take the farmer's land away, but that it would refuse to let him pass it on when he died. Mr. Leavens, who was supposed to have made that statement in Orillia, denied emphatically that he had ever said it. What he said, he declared, was that the C.C.F. would not only take the farm away from the farmer or his sons, but that it would see that nobody else took it away either.

C. H. Millard (C.C.F., York West) completed the debate for the opposition. He summarized the criticisms of the speech from the throne, and suggested that while the opposition were glad to see some forward-looking legislation promised, and would support it as far as they could, they would continue to press for more fundamental changes to get down to the root of our economic and social problems.

NATIONAL SERVICE
SELECTIVE

If You Employ Male Persons

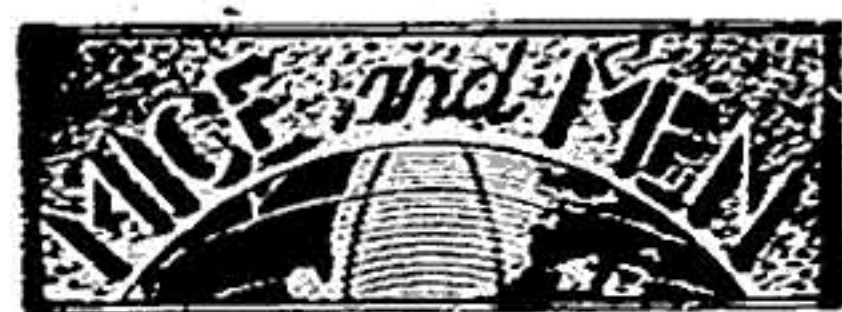

Have they all complied with the Military Call-Up?

Under an Order signed under authority of the National Selective Service Mobilization Regulations:

1. Every employer of male persons must make an examination of the documents of these employees, and forward advice on those who fail to produce documents showing good standing under Mobilization Regulations.
2. This examination must be completed by May 1st, 1944.
3. "EMPLOYER" includes industrial and commercial employers, and also farm operators.
4. "MALE EMPLOYEE" includes all male persons working for you, including relatives.
5. A booklet "EMPLOYERS' GUIDE," has been sent to industrial and commercial employers. A return post card has gone to farm operators.
6. If you employ any male person, and have not been notified of the survey by booklet or post card, contact the nearest Employment and Selective Service Office and ask for the booklet.
7. Obligation to make the examination rests on each and every employer of male persons, and employers must act.
8. Penalties are provided for failure to carry out this examination, and for male employees failing to assist by refusal to produce documents.

DEPARTMENT OF LABOUR

HUMPHREY MITCHELL, Minister of Labour. A. MacNAMARA, Director, National Selective Service.

Travel between the British Isles and Eire has been suspended by the British government because of refusal of the de Valera government to close Axis embassies and consulates.

It has been reported that Hitler has moved the German capital from Berlin to Breslau.

The restrictions which were placed on beer last year have been lifted by the dominion government. The 1943 sale of beer was limited to 90 percent of the 1942 distribution. The reason given is criticism of the restrictions by provincial governments, particularly the Drew government.

Twenty-eight air training schools in Canada will be closed between now and the end of the year. Air Minister Power told the house of commons this week.

Italian mud has slowed the land operations of both the Allied and Nazi armies.

German planes fire-bombed London heavily on Tuesday. The raid was compared with those of 1941.

Several Nazi divisions in the southern Ukraine have been encircled by the Russian army. The Red Army reports that 10,000 Nazis have been killed, 4,000 captured. Other Soviet forces are 60 miles from the Rumanian frontier.

50 YEARS AGO

From The Era and Express files, March 9, 1894.

Charles Lundy has purchased the north end accommodation store and is continuing business at both ends of the town.

Huron St. west, between Niagara St. and the limits of the town is terribly cut up and some people are driving to Aurora to do their shopping rather than travel on this road.

All records in wood-cutting were beaten the other day at B. F. Irwin's bush, near Sharon, by Wm. Prince and Walter Eves. They felled a beech tree, sawed, split and piled a cord of two-foot wood in 19 minutes and 35 seconds.

Hodge's tin shop is getting a renovating that will greatly improve its appearance.

There was a good crowd at the market last Saturday but there was not much produce.

That troublesome little leak in the water-main cost the corporation over \$15.

There is scarcely a particle of snow or ice to be seen and the fields are as bare as they usually are in April.

WHITCHURCH TOWNSHIP CANVASS FARMERS TO SUPPORT FEDERATION

Every farmer in Whitechurch township will be asked personally to give his consent to having one-fifth of a mill of his farm assessment charged against him, the sum collected to be turned over to the Federation of Agriculture, Deputy-Reeve L. P. Evans told Whitechurch council on Saturday.

A meeting will be held immediately to organize for the canvass throughout the school sections. "The Federation of Agriculture is looked upon as the power and mouth-piece of all agriculture," Mr. Evans explained. "It must have efficient officers, and unless we have money to maintain a strong organization, we cannot defend our rights."

Having failed to present his resignation as township constable, Robert Windsor was formally dismissed and requested to send in certain regalia, the property of the township, which is still in his possession.

The auditor's report was presented by R. W. Andrew. Mr. Andrew said that the council should strive to follow the budget which they set. The practice of raising money for one purpose and spending it for another is becoming a thing of the past, he said.

The financial position of the township is sound and the municipality is entirely free from debt.

A by-law was passed appointing Fred Cummings assessor, and setting forth the new period for making the assessment. His duties will commence in April and the roll must be turned in by Oct. 1. Dog taxes will be collected when the assessor makes his rounds, but he will be required to make one personal demand for this tax, after which those who fail to make payment, or arrange to make it, will be subject to court action.

"We want to play fair, but it costs a lot of time and effort running after delinquent dog owners," said Reeve George Leary.

Clerk Crawford said the township only had one hospital patient at the moment. Relief for the month cost \$175, mostly for groceries and fuel for elderly people.

Mr. Evans reported that progress was being made in connection with cutting down the gravel hill on the east town-line.

Road accounts were unusually low as snow shovelling and plowing costs have been almost nil.

of Rev. R. H. McMath.

The Institute will meet at the home of Mrs. Chas. Toole on Tuesday, March 21, under the convener'ship of Mrs. A. Needler. There will be talks by girls on their Victory gardens. Mrs. D. McClure will play a piano solo. Mrs. Ivan Kay will give a reading. Mrs. A. Colville will sing a solo. A contest will be conducted by Mrs. Hawtin, Mrs. Hunt and Mrs. Carl Greenwood.

Mrs. Harry Hunt and Edith Kay spent Sunday at the home of Mr. Ivan Kay.

A great engine doing a great job

AS ALLIED ARMIES push forward their offensives in various parts of the world, Canadian military motor vehicles continue to play an important part in the transport of men and supplies. Along the rim of North Africa they carried a large part of the advancing Eighth Army. Over shell-torn roads and through deep mud, they carried the main weight of the Canadian advance in Italy, and a large proportion of the British Eighth Army as well.

In this gigantic transport undertaking, Ford-built cars, trucks and universal carriers have borne a substantial

share of the load. In Canada too, Ford buses have played an important part in solving our wartime transportation problem. The power plant which drives these Ford vehicles on the home front and on the fighting front is the Ford V-8 engine.

At home and abroad, the Ford V-8 Engine is famous for its smooth, surging power and rugged reliability. It is a thrifty engine, economical of gas and oil, and it keeps on eating up the miles with the very minimum of care. In war or in peace, it's a great power plant. Certainly it's the engine you'll want in your post-war car.

With Half an Eye

The old saying has it that some things are so obvious that they can be seen with half an eye. Yet many people today, with two "good" eyes... see only half as well as they should. A reduction in visual efficiency, even to a small degree, means a corresponding loss of the delights of sharp, clear vision.

Eyesight may fall gradually, so slowly that it is not apparent. The only certain way to tell if eyesight is efficient is by thorough eye examination. If you would be sure of your eyes, have them examined soon.

AVOID last minute RUSH

GET YOUR 1944 MOTOR VEHICLE PERMIT NOW!

1944 motor vehicle permits are now on sale.

NOW is the time to purchase yours. You may recall the long line-ups of other years. Do not wait until the last minute to get your 1944 permit.

DO YOU KNOW—
There are over 36,000 persons in Ontario whose licenses to drive are under suspension because of their inability to secure insurance or file other proof of financial responsibility? They were convicted of offences against the motor vehicle laws following accidents. It is better to drive safely and avoid accidents than to find yourself unable to drive at all.

Do not mutilate or destroy your 1943 plate. Wartime restrictions require that it be used another year.

Your motor vehicle permit fee remains the same. A windshield stamp will be issued with your 1944 motor vehicle permit, validating the use of your 1943 plate.

The application for 1944 is provided on the back of the 1943 permit. This is the only form that may be used.

Renew your driver's license at the same time.

Fifty-nine correct answers were sent in for last week's scrambled word contest. The non-winning correct answers have been given credits and will be used for reference in breaking future ties.

Mrs. R. Armitage, R. R. 3, Newmarket, M. Marshall, Newmarket, Dorcas Watson, R. R. 1, Newmarket, Mrs. E. C. Johnson, Newmarket, and Mrs. Chas. Brice, 19 Queen St. E., Newmarket, are this week's winners. They may pick up their prizes any evening at the Strand theatre.

These winners have their choice of the program at the Strand theatre on Tuesday, March 21, when "Claudia," starring Dorothy McGuire, Robert Young and Ina Claire, and "Paris After Dark," starring George Sanders, Philip Dorn and Brenda Marshall, are the feature attractions, or on Thursday, March 23, when "A Yank at Eton," starring Mickey Rooney, and "Lady from Chungking," starring Anna May Wong, are the features.

The correct answers were: regulation, sterling, boarding, natural, porcelain, conduct, orfords, inclusive, considered and bracelet.

THIS WEEK'S CONTEST

The five winners of this week's contest will receive double passes to the Strand theatre for either Tuesday, March 28, when "The North Star," starring Anne Baxter, Walter Huston and Dana Andrews, and "Young and Willing," are the features, or for Thursday, March 30, when "The Man From Down Under," starring Charles Laughton, Donna Reed and Binnie Barnes, and "Hi Diddle Diddle," starring Adolphe Menjou, Martha Scott and Paula Negri, are on the program.

Answers must reach The Era and Express office by 9:30 Tuesday morning. Contestants are asked to send in their entries on a slip of paper four by two and a half inches (4"x2 1/2"). Only one entry will be accepted from any one household, and entries must be in the contestant's own handwriting.

This week the ten classified words have been scrambled. The divisions between words have been put in the wrong place. Here they are: SVROIEK, RETMRAELABA, OTCINIM, OLOCAHETOL, HICNHL, IACLUWAGBN, OTAFNER, TOUBICRAVA, RDTESIMT, KNEIDREWOW.

LADIES SEE SLIDES ON SOUTH AMERICA

Members of St. Paul's W.A. enjoyed lantern slides on missionary work in South America on Thursday afternoon. The rector, Rev. G. H. Johnson, read a description of the different pictures thrown on the screen, and Charles Evans was in charge of the lantern.

The spring tea will be later than usual this year, so as not to conflict with the Red Cross tea the week following Easter. The quilters have been so busy that an evening session had to be put on. The W.A. is appealing to other church women, who are not members, to join the organization, since the missionaries are finding the increased cost of living more than their allowance will meet, and all pledges have been increased in consequence.

Lenten services are held in the chapel every Wednesday at 7:30 p.m.

IS HOME FROM HOSPITAL

CHRISTADELPHIANS
As recorded in the Book of Daniel, the King of Babylon dreamed he saw a huge metallic image with head of gold, bust and arms of silver, body and thighs of brass, legs of iron and feet part of iron and part of clay. The image represented the kingdoms of men, to exist until, in their place, the Kingdom of God will be established. Dan. 2: 44, Dan. 7: 27, Psa. 110: 5, 6, 1 Sam. 2: 10.
Read "CHRISTENDOM AS-TRAY" in all public libraries or from HOWARD TOOLE, MT. ALBERT, or THOMAS BRIGGS, PEPPERLAW, R. R. 2.

WILL COLLECT RECORDS
The public school pupils will make a collection of record books from Friday, March 17, to Tuesday, March 21, inclusive. Residents are asked to please have the records ready when the children call. The collection is under the auspices of the Home and School association. Advt.

MAGISTRATE'S COURT Four Fined For Illegal Fishing At Lake Simcoe

A record of these charges will be kept and the next time that you men come here charged with fishing this way you won't get off so lightly," Magistrate W. F. Woodliffe warned four fishermen in York county magistrate's court in Newmarket on Tuesday. The defendants were charged with unlawfully fishing without a license in a manner other than angling or trawling. Two others who were charged failed to appear. They will be personally served.

The four fishermen who were found guilty were fined \$10 and costs or ten days in jail. They were Duncan, Tillett, Roche's Point, Percy Tillett, 132 Hammersmith Ave., Toronto, John Offen, Caroline Ave., Toronto, and Albert Wood, 93 Foxwell Ave., Toronto. With the exception of John Offen all pleaded guilty to the charges.

Constable Ernest Prosser, game warden, told his worship that on the afternoon of March 5 he and Constable Buey, also a game warden, had been patrolling Lake Simcoe when they came upon the fish houses of Percy Tillett, John Offen and Albert Wood. He stated that in each case the men were fishing through the ice in an illegal manner. He stated that Mr. Offen at the time admitted that he had been using fishing apparatus with several hooks.

The officer exhibited a number of fishing devices which he said he had taken from the defendants. One device, which he said was similar to the others, was made of two metal cross bars, at the ends of which were large hooks. Towards the centre of the bars were smaller hooks on which the bait was placed.

"That is snagging fish, not angling," stated the officer. He explained that the fish nibble at the centre hooks and that when the fisherman pulls the line up suddenly the larger hooks on the outside tear the tender underside of the fish. Many fish are caught in this manner but many more get away and, severely injured, die within a short time.

Constable Gordon Buey told his worship that it was not necessary for fishermen catching fish by angling or trawling to obtain a permit but that if they wished to catch fish in any other manner they must purchase a license. He stated that in the case of the defendants they were neither trawling nor catching fish with a line and rod, and they had not a license to fish otherwise.

Constable Prosser stated that he and Constable Buey had been patrolling Lake Simcoe on Feb. 28 when they came upon Duncan Tillett fishing illegally.

A fine of \$35 and costs was imposed on William E. Knight, Camp Borden, for driving his car at a speed of 70 miles an hour on Yonge St. Spencer Vernon, Vaughan township, and Richard Garrett, Barrie, were each fined \$20 and costs for travelling at 55 miles an hour on Yonge St. For failing to have sufficient lighting on his car, Charles Hanson, Elgin Mills, was fined \$1 and costs. In each case the charges were laid by Provincial Constable Alex. Ferguson.

A charge against Donald S. Crone, Mount Albert, of being a conscientious objector and failing to report at the alternative service camp was adjourned until next week. Ball was set at \$500.

UNDOUBTEDLY

A woman once sought to reprimand Dr. Samuel Johnson for putting into his dictionary a considerable number of words which she deemed improper. "Madam," replied the noted lexicographer, "if you found all those words, you were looking for them."

FLAT TOO

A medical journal advances the theory that "man is slightly taller in the morning than he is in the evening." We have never tested this, but we have certainly noticed a tendency to become "short" toward the end of the month.

Difficulties In Carrying Mail To Troops Described

A Liberal organization meeting was held in the Oddfellows' hall on Friday evening. Morgan Baker, former M.P.P. for North York, and Hon. W. P. Mulock, M.P. for North York and postmaster-general of Canada, were present at the meeting.

Morgan Baker was in the chair for the election of officers, which resulted as follows: president, Lorne C. Lee; 1st vice-president, Mrs. Chas. Webster; 2nd vice-president, Mrs. A. M. Kirkwood; young people's vice-president, Stewart Patrick; secretary-treasurer, Mrs. Fred Harvie; ward chairmen, ward one, Dr. G. W. Williams; ward two, Dr. J. L. Urquhart; ward three, William Belfry; ward four, Mrs. A. M. Kirkwood; ward five, John Ough, Jr.

Morgan Baker, in his address, said he had been all over North York riding since August and had noticed "a strong turn towards Liberalism." He said that when Canada went into the war four years ago Prime Minister King asked that all political organizations be submerged in order to promote an all-out effort. "While we as Liberals fell in with this request, the other parties made the most of the opportunity to promote and

strengthen their organizations," said Mr. Baker.

Mr. Baker said that Col. Mulock is held in high regard at Ottawa due to the excellent way he is doing his job as postmaster-general.

Dr. Williams introduced Col. Mulock, who gave an outline of the mail service and praised the excellent job of the armed forces both at home and abroad. He told of plans for the rehabilitation of both men and women of the armed forces.

Col. Mulock explained some of the difficulties in getting mail to the armed forces. He described development of the air mail service to England and the combat areas, explaining the constant need for expansion and a greater number of planes to take care of the ever-growing volume of mail.

Some of the difficulties encountered in getting mail to the forces in Italy due to troop movements in the past few months were explained to the gathering by Col. Mulock. He stated that this winter especially has been particularly bad for air mail due to weather conditions.

Col. Mulock said that there is no election in sight at the present moment.

JACK ARLITT WEDS COOKSTOWN GIRL

St. Clair Ave. Baptist church, Toronto, was the scene of the wedding on Saturday evening of Beatrice Mae Hammond, daughter of Mr. and Mrs. J. J. Hammond, Cookstown, and Cpl. John Paul Arlitt, R.C.A.F., son of Mrs. Paul Arlitt, Newmarket, and the late Mr. Arlitt. Rev. Robt. Hamilton officiated.

The bride, given in marriage by her father, wore a phlox violet suit and a matching flower hat misted with violet veiling. Her accessories were navy blue and her corsage was a cascade of American Beauty roses, violet sweet peas and forget-me-nots. She was attended by her sister, Blanche, who wore a fuchsia suit and navy accessories.

The bride's mother wore a navy blue suit and a corsage of American Beauty roses. The groom's mother wore a tan and beige frock and a corsage of Talisman roses.

The bridegroom was attended by his cousin, Cpl. Bart. Simmons, Barrie. A reception followed at the King Edward hotel, after which the couple left for Montreal.

WELL KNOWN RESIDENT OF KETLEBY DIES

Mrs. T. H. Dove died at her home at Kettleby in her 79th year on Saturday morning, March 4, after a lengthy illness which she bore with patience and cheerfulness. She was a devoted and loving mother.

Born in County Derry, Ireland, Miriam McClelland came to Canada at the age of 19. In 1890 she was married to Theophilus H. Dove, who predeceased her over 17 years ago, and had resided on the same farm all her married life.

Mrs. Dove leaves two sons, Frank, Strange, and Bert, at home; four daughters, Mrs. Wm. Curtis (Dorothy) and Mrs. Wm. Curtis (Hazel), both of Newmarket, Mrs. Ray Dion (Florence) and Ethel, at home, and two sisters, Mrs. Wm. Archibald, Tottenham, and Mrs. R. Archibald, Tottenham. A daughter, Lena, predeceased her 23 years ago. She had six grandchildren.

The funeral service, at her residence, 122, con. 4, King township, on Monday, March 6, was conducted by Rev. W. J. Burton, Kettleby, and Rev. H. G. Hawkins, Aurora, with interment in Kettleby cemetery.

All The World Loves A Flower—Chas. Dodson

Aurora horticulturalists were the guests of the Newmarket Horticultural Society at a meeting in Trinity United church school rooms, Newmarket, on Monday evening.

Norman Williams, president of the Newmarket society, welcomed the visitors and introduced the guest speaker, Charles Dodson, Aurora, who gave the gathering an interesting insight into the origin and development of the sweet-pea.

"Some people do not see the beauty in paintings that the artist does, some do not see the artistic work that goes into the making of a pair of shoes that the cobbler does, but everyone sees the beauty and artistry that is in the flower," stated Mr. Dodson. "Did you ever hear of any person saying, 'I don't like flowers?'"

The speaker traced the history of the sweet-pea from its early discovery in Sicily in 1699 by a priest who sent the seeds to his brother in England the following year. The flower, at that time, was similar to that of the culinary pea. Flower lovers since that time have experimented and developed the beautiful large fragrant flowers we have today.

Mr. Dodson explained how to prepare a sweet-pea bed and how to grow long sturdy stalks with large flowers. He said that the best time to prepare the bed was in the fall of the year.

Mr. Williams told the audience that the meeting was an experiment to see if an interest in the society could be aroused by having monthly meetings at which speakers would talk on subjects of horticultural interest. He congratulated Rudy Renzies on his interesting contributions on horticulture to The Newmarket Era and Express.

Two lovely violin compositions were rendered artistically by the young Newmarket violinist, Jack McKimmin. He was accompanied at the piano by his sister, Margaret.

Rev. R. R. McMath, Newmarket, entertained the gathering with slides of beauty spots in Ontario, Ireland and Newmarket.

WANTS EASTER EGGS

Major Henry Taylor, a trustee for the Loyal True Blue and Orange orphanage at Richmond Hill, is asking residents of Aurora and district for eggs for the children of the home for Easter. Major Taylor, who is in poor health, will not be able to canvass as many homes as in former years.

CARD OF THANKS

Pte. Cecil Atkinson, who is in Italy, wishes to thank the Aurora Red Cross for parcels and cigarettes which he has received and also the Aurora fire brigade for cigarettes and tobacco.

AURORA, ONTARIO, THURSDAY, MARCH 16TH, 1944

ACE IS HOME AGAIN

Wing Commander Lloyd V. Chaburn, D.S.O. and bar, D.F.C., Canada's top fighter pilot, arrived at his home in Aurora on Tuesday. He is a son of Mrs. Frank Allen, Aurora. It is Wing Commander Chaburn's second visit home since he went overseas in 1940. Wing Commander Chaburn is home to help with the promotion of the sixth Victory loan.

PLAY-OFF IS TONIGHT

At a doubleheader hockey match in Aurora arena on Tuesday evening, Vandorf defeated Aurora 7-3 and Zephyr defeated Ordinance 2-1. Vandorf and Zephyr will play off for the championship tonight. The winners will receive a cup given by Jack Bowser and the gate receipts of the game.

RED CROSS IS ONLY HALF WAY TO GOAL

The Red Cross has raised approximately \$2,400 in its campaign for funds. There are about ten days left to reach the \$4,500 objective. This figure is below that of last year and it is hoped the citizens of Aurora respond generously when the canvasser calls during the remainder of the drive.

DEFEAT COLLEGE TEAMS

Aurora public school hockey-ists took a doubleheader last Thursday from St. Andrew's College. The seniors won their fixture 11-0, while the juniors took a nice 9-2 win.

Social and Personal

Raymond Cook, University of Toronto, spent the weekend with Mr. and Mrs. Charles Cook.

Alderman and Mrs. Clifford Harman, Oshawa, who recently celebrated their 25th wedding anniversary, spent the weekend in town.

Cpl. Telford Shanks, Toronto, spent the weekend in town.

Trp. Eric Billbrough, C.A.C., is confined to a hospital in Toronto.

C. Wesley Dew, King, a graduate of Aurora high school, was among those receiving wings at Camp Borden last Thursday.

LAC Don. Glass, R.C.A.F., Guelph, spent the weekend at his home.

Seaman Gordon Stephenson, H.M.C.S. Deep Rock, Halifax, N.S., is visiting his mother, Mrs. Samuel Stephenson.

Pte. Gordon Horner, R.C.O.C., Montreal, P.Q., spent the weekend with his grandparents, Mr. and Mrs. Joshua Preston.

Major N. F. Johnson, Camp Borden, spent the weekend at his home.

Pte. Gordon Latimer arrived safely overseas a few weeks ago. Before enlisting, Pte. Latimer was employed with the Sisman Shoe Co.

LAC Alex. Stuart, R.C.A.F., Toronto, spent the weekend with his parents, Mr. and Mrs. John Stuart.

Pilot Officer Douglas Nisbet, son of Mr. and Mrs. C. S. Nisbet, Aurora, was among those graduating as an air bomber at London, Ont., on Friday, P.O. Nisbet, who is on leave at his home, attended Aurora high school where he was prominent at basketball. He was also a member of Aurora Boys' band.

Sgt. Clifford Corbett, R.C.P.C., Toronto, spent the weekend at his home.

Pte. Charles Case, R.C.O.C., Barriefield camp, spent the weekend at his home.

R. Maybee, Lloydstown, was among those graduating as air observers last week at London, Ont.

Mr. and Mrs. J. B. Walker, Newmarket, formerly of Aurora, have received word that their son, C.S.M. David Walker, R.C.A.M.C., has been promoted to the rank of regimental sergeant-major.

Word has been received by Mr. and Mrs. Charles Clubine, formerly of Aurora, that their second son, Pte. Clifford Clubine, a former member of Aurora Boys' band, is in action in Italy.

Staff-Sgt. James Murray, Camp Borden, spent the weekend with his parents, Mr. and Mrs. Archie Murray.

Robert Burton, Kettleby, has received his commission as pilot officer with the R.C.A.F. overseas.

A meeting of the Holland Land-ling C.C.F. was held in the council chambers on Friday evening. Sam Deans was in the chair. Major A. H. Woods, candidate for the federal riding, was present.

Kenneth Ross, Mount Albert, a member of East Gwillimbury township council, introduced Major Woods to the electors.

Major Woods gave an interesting talk on the formation of the C.C.F. party and its achievements since 1935. Answering a question Major Woods declared that the C.C.F. would honor all Victory bonds and would take measures to prevent the large financial interests acquiring the small investors' bonds at a discount, and would see that individual investors would get 100 percent of their investments.

Two Aurora Farmers Engage In Dangerous Undertaking

Recently mentioned in a story from overseas in which members of a Canadian infantry unit took part in a "dangerous mission," while on night patrol in the Italian campaign, were two Aurora and district men, Cpl. Alex. Moore, Aurora, and Cpl. Harry Lavender, Vandorf.

Cpl. Moore, who is called "the Moose" by his pals, was a farmer near Aurora before enlisting and has one child here whom he has never seen. He is quoted as saying jocularly, "I used to be a

farmer and wish I still were one tonight."

Cpl. Lavender farmed near Aurora and is engaged to an Aurora girl. He is a well known soccer player. Alex. is 28 and Harry is 27.

They, along with three other Aurora boys, Leonard Chapman, Keith Knowles and Wesley Stephenson, have been overseas for the past 18 months with the same unit. Cpl. Moore is mentioned as spraying an enemy post with machine-gun fire.

Ordinance "Wins" League Championship For Zephyr

Zephyr blues won the official championship of the Aurora town league on Thursday night. Zephyr, by winning, took a 40 percent cut of the season's revenue.

Tuesday night the four teams were scheduled to meet in a knock-down-and-out series for a winner take-all title.

Zephyr 4, Aurora 3

Going into the opening game, Zephyr was tied for second place with Aurora, both teams being one point behind the league-leading Vandorf farmers.

Aurora had an edge in the first period with "Bub" Preston doing the honors at the ten-minute mark on a nice effort. Only the work of Jack Heaton in the northerners' net kept the Aurora boys in hand.

Zephyr tied the score, then took the lead in the second semester, but "Mickey" Sutton and "Whitey" Jones knotted the count as the period closed.

In the third period Ivan Clarke gave Zephyr the lead. Following some hectic play, a three-play passing attack found Jones on the receiving end and "Whitey" made no mistake, tying the score again.

With only a few minutes to play, Jones drew a penalty for boarding and Zephyr put on the heat, Ches. Lunney, who played an outstanding game all night, doing the trick.

R.C.O.C. 5, Vandorf 3

Ordinance Depot brought joy to the hearts of Herb. Holman and supporters by crashing into the win column at the expense of the favored Vandorf team. Harry Chambers, the soldiers' class centre, scored the only first-period goal on a pass from Herb Farley after having a decided first-period edge.

Bob Walsh made it 2-0 for Depot in the second period. "Duke" Dennis made a lovely solo effort to break the ice for Vandorf. Chambers again tallied to make the score 3-1 as the period ended.

The last period saw Vandorf at its best, but Herbie Yake, the Depot goalie, saved the day. Time after time Herbie saved surefire thrusts, and Bill Duran or Paul Bibeault could not have done better. "Barney" Hood reduced the lead by one but Bill Trent got that back following a face-off in the Vandorf area. It was an angle shot that Pattenden had no chance on.

Following a break-away Chambers got another and then Herb. Simpson concluded the scoring with a well-deserved goal. Yake, Chambers and Dennis get the three-star awards.

Hill Basketeers Hold Aurora To 2-2 Tie

Aurora high school junior basketeers received a rude shock Thursday afternoon when Richmond Hill juniors invaded Aurora, and, despite unfamiliarity with the peculiarities of the Aurora gymnasium, held the Aurora youngsters to a 20-20 tie.

The game was hard-fought throughout and the issue was in doubt to the end, with first one team and then the other having the lead.

Billy Neal and Moore of the red raiders were two of the bright stars in the Hill cause and were as good as any on the floor. Howard Patrick and Doug. Pratt played standout games for Aurora. Delroy Babcock was referee.

A.H.S.: guards, C. Williams (2), H. Patrick (4); forwards, D. Pratt (4), E. Smith (2), C. McNaught (4), H. Cousins (2), W. Devins, R. Bovair (2), P. Crystdale.

WITH THE CHURCHES

The parochial guild of Trinity Anglican church met on Tuesday evening at the home of Miss Beryl Phillips, Yonge St.

Aurora W.C.T.U. met this afternoon at the home of Mrs. J. W. Readman.

The Ladies' Aid of St. Andrew's Presbyterian church held a croquinoile party at the home of Mrs. W. J. Baldwin recently.

Rt. Rev. Bishop Derwyn T. Owen, Toronto, will be present for confirmation ceremonies on Sunday morning at Trinity Anglican church.

Bruce Underhill, citizenship convener, gave an illustrated talk on "The Comparative Religions of the World" at the United church Y.P.U. fireside hour on Sunday evening.

Wilson McDonald, eminent Canadian poet, now resident in Aurora, was the guest speaker at Monday's meeting of Aurora Baptist Y.P.U., which was widely attended. Some of Mr. McDonald's poems were heard set to music for the first time, with Illyd Harris at the piano and Mrs. Ruth Harris as vocalist.

Mrs. J. Kemp, Lansing, was the guest speaker at Tuesday's meeting of the United church evening auxiliary, at the home of Mrs. Howard Oliver.

Rev. Henry Hawkins, pastor of Aurora Gospel church, is on a preaching tour of western Canada which will last for some weeks.

The Era and Express may be purchased in Aurora at Hess, Morning and Willis drugstores and at Whitelaw's book-store.

Now is the time to go through the attic or cellar for articles which someone else needs.

KETLEBY COUPLE ARE MARRIED 64 YEARS

Mr. and Mrs. John Dutcher of Kettleby celebrated their 64th wedding anniversary on Friday at the home of their son-in-law and daughter, Mr. and Mrs. Wilfred Codlin, Newmarket. Fifteen members of the family were present. A pleasant surprise for Mr. and Mrs. Dutcher was an anniversary greetings cable from their grandson, Pte. Jack Codlin, overseas.

GROUP GOES SLEIGH-RIDING

The Student's Christian fellowship group of Aurora high school, under the leadership of Harold Modell, held a sleighing party on Friday evening. Refreshments were served on the return to town at the Aurora United church.

FORM DANCE ORCHESTRA

Under the leadership of pianist Gib. Smith, students at Aurora high school have organized a dance orchestra. They hope to present a "jam session" for their fellow students soon. Included in the orchestra are Stewart DeLaHaye, trumpet, Eric Smith, traps, Charlie Williams, trombone, Jim McDonald, saxophone, Tommy Brodie, clarinet, Bill Williams, trumpet and trombone.

DOWN THE CENTRE

Pickering College this week started its quest for the eastern Canada interscholastic title with one of its best teams in the history of the school. First, of course, they will meet the suburban York winners in a T. and D. struggle. Pickering went through the season undefeated and rolled up some near-record scores, defeating St. Andrew's College 75-28. Sole loss was to Newmarket camp basketballers in an exhibition tilt, though previously they had beaten the boys from No. 23.

Barney Jackson, himself a player of note, is coaching the team this season, but we suspect that the old reliable, C. R. Blackstock, has a finger in the pie too.

Bob Moffatt, fast-breaking forward of the team, is the leading threat, but he is ably abetted offensively and defensively by Lou Lannier, Fred Thompson, Ed Richardson, Wilf Coutin, Ben Budgeon, George McCowan, Stew Sansom and Don Kent. The latter two are English boys who are taking their education in Canada in war-time and while comparative strangers to the game have done well.

It is quite a few years since Pickering has gone beyond the T. and D. title but perhaps '44 will see it happen. Regardless of the outcome, the blue and white boys have no reason to be ashamed of this season's record.

Richmond Hill intermediates passed out of the intermediate O.H.A. race last week as Whitby Bees, the South Ontario winners, took them in straight games, 5-1 and 6-3. The Hill boys were denied the services of their ace performer, "Red" Mitchell. Mitchell played

last year with Chicago Black Hawks and started the season with them too, returning to Canada for war work. Without him the Combines were just ordinary. In a post-season clash the Combines defeated Richmond Hill 7-5. Rowntree's boys were without the services of several of their players.

Bill Chrise, good defenceman, was moved up to the intermediates for the play-offs. Now the Hill intermediates will clash with an all-star Aurora town league team for the district title.

Gordy Sabo, fast-moving Hill junior centre, joined the ranks of the benefactors last week and his team-mates clubbed together to purchase a coffee set for the young newbies. Windbreakers in club colors will be presented shortly to the Hill juniors in recognition of their fine work over the season.

Newmarket juniors, while not receiving any presentation for their season's work due to the lack of funds, enjoyed a fine banquet and party not long ago, arranged by Jim Walker and his colleagues. With most of the team available for action again, and some additional reinforcements already lined up for next season, can't-town fans can confidently look to the future. There are some good boys coming along who, if kept together for a few years without being raided by outside centres, will restore to Newmarket the glory of other days in the winter sport.

Speaking of the future, take a gander at Whitby, where the juvenile team, composed mostly of kids who played in the local junior group, polished off Barrie Lions, last year's juvenile B winners and highly favored to

repeat this year. Whitby won the round with comparative ease too. Hefferling, the good defenceman, took the nets, while Harden, Pascoe, the Lowe brothers, Lintner, McCoskey and Wally Samanski of the juniors were in action. Sleight, the 15-year-old youngster who started the season in the junior nets, is spare netminder. Samanski, incidentally, was sought by Barrie Colts as a war-time replacement in the junior series.

"Curly" Mason, who played one game for Brampton camp and was scheduled to arrive too late, is C.A.C.T.R. but arrived too late, is playing for the Colts, who meet either Markham or Kingston in the next round. Mason formerly played for Brampton Lions and has added strength to the team.

Chad Bark, whom Newmarket fans saw on the defence for No. 3, still young enough for junior company, is now being sought by the Colts and if obtained will make a big difference to Happy Emms' boys. Bark formerly played for U.T.S. juniors.

Bill Filkins, former Aurora junior now at Camp Borden with the dental corps, is promoted to sergeant.

Jack Withrow, former secretary of Aurora juniors and winner in the recent army essay competition, is promoted to staff-sergeant. "Joint" McComb, star of the Brampton Bullets, becomes lance-corporal.

Looking at the Brampton line-up, we notice it is well studded with junior N.C.O.'s. "Flash" Abram, Vern Ayres, Joe Iannarelli are corporals, while one-hookers in addition to McComb are Ken Dixon, Ed Young, "Whitey" Bartlett, Bobby McLaughlin, Teddy Lister, Bobby Thorpe, "Bun" White, Fred Plumley, Donnie Campbell and St. Dennis. In other words, almost the entire roster, a situation unprecedented in army hockey of the district. The boys are all

training as instructors.

Wes Heaney, diminutive Aurora all-round athlete, and George Hodgins, former Aurora softballer, both posted to the R.C.O.C. shoe depot at Montreal, P.Q., played hockey the past winter for the units team in the Montreal garrison league. "Ninny" was on the forward line and "Hoppy" in goal, and while the boys from No. 4 depot didn't set the world on fire, both boys played fine hockey.

"Fat" James, ex-captain of Aurora juniors, now referred to as Sgt. Clarence James of the 23rd Battery, has been playing hockey overseas this winter for the Smythe unit and doing well too. The 23rd battery, led by Connie Smythe, is in the divisional finals.

By one of those oddities of life, Doug Gillespie, the Orangeville boy who just about single-handedly defeated Aurora juniors in the 1938 junior C finals and crossed sticks on several occasions with the burly Bradford boy, is with the same outfit and teaming up with "Fat".

Premier George Drew paid a fine tribute to sport the other day when he replied to a brief presented by a labor delegation. The brief had asked that, as part of a better social program, sports should be taught to people "to meet each other on equal terms." Mr. Drew heartily endorsed this idea and concluded by saying "they (sports) lead to a better approach to a healthy understanding." The picture which so many people had once of Mr. Drew as a "stuffed shirt" individual is fast disappearing.

Jack Dent, who back in 1933 played a hard game for Stratford juniors against Newmarket Redmen, this year is coaching the Windsor junior Spitfires, who, while they lost out to Kitchener Juniors, did go down with colors flying. Of left no doubt, The Redmen fought hard but except for one or two players were outclassed man for man, and also for team-play. Cpl. Jack Wheeler and Walter Zukli worked like Trojans to stem the inevitable tide, but most of the other lads, noticeably Gar. Preston and Avison, have turned in better games over the season.

Despite the fact Johnny Callanan was the Redmen scoring star of the series, he didn't display his early season promise. Since he had his wrist injured, he has never seemed as effective. Sitting near us at the Newmarket game were two nice looking fellows of school age and we got quite a kick out of their comments, especially those on masculine attractiveness. It was quite apparent the handsome Callanan and Harvey Avison rated pretty high in their books. "Sinatra" said one. "Why Callanan is away ahead of him." "So is Avison," said the other. "That goes for Robert Taylor too." So while the boys may not top the list in hockey ability they are aces in the hearts of feminine Newmarket.

Teddy Lister, just last winter, was big poison to the Redmen and turned in his best games of the season. McComb, we thought, didn't extend himself but was the "old master" in front of the nets when he had the chance. He kept his head too and played clean hockey.

Glen Brydson was one of the main reasons for Tech's win over No. 2. The former Montreal Maroon star, who is perhaps the best goalie in the league, got three goals and five assists in the first game and three goals and three assists in the second clash to take the scoring honors race in the first round of the play-offs. Brydson is a stick-handler of the old school when such an art is all too rare, and his size enables him to barge his way through most defences.

First game was the best of the two. Tech, was leading 8-5 with four minutes to go but No. 3 staged a gallant come-back, led by Charlie Nesbitt, to tie the game and make overtime necessary. The effort was too much for the Rams, who were easy prey to Tech. In the extra period, the game ended 12-8, with four overtime goals.

The second game, while fast, was not as spectacular. The result was in doubt until the last period, with Tech, taking a nice 7-4 win. Bob Heaney played his best hockey of the season in these two games and teamed up well with Nesbitt.

"Red" Williams was granted permission to play for Schools in the second game, replacing Mike Flanagan, who was injured. Williams, who played for the first hockey team at No. 23 B.T.C. and this year was one of the big shots for District Depot, looked quite ordinary.

"Whitey" Williams of Stouffville, ex-Markham junior, who started the season with Newmarket camp but did not play any hockey at Borden, replaced Bob Finch, another Tech casualty and fitted into the scheme of things well. He showed the effects of a long lay-off but will improve.

Frank Mazza played the nets for both games and did well. Vastly underrated, even by his team-mates, Mazza kept his post when the transfer of George Brooks from No. 3 to T. & S. was refused and the shots that beat him would have fooled most netminders.

Ran Westbrooke of No. 2 was positively sensational in both clashes. He turned away over 40 shots in each game and on at least two occasions out-guessed the puck-carrier when the latter had only the net in front. A duel between Brooks and Westbrooke, with all things equal, would be worth seeing. The player situation for the final series may be changed. Brampton is anxious to use Jack "Dine" Inglish while Tech would like to add Kuntz of No. 1, Fennel of No. 2 and Brooks. Some kind of snow-off arrangement, totally involving the two clubs, may be expected.

Desllets is one of the stars of the Victoria army team. Roubell, another former Midget, is playing minor pro hockey.

Eddie Malcheske, last year with the Aurora Ordnance Depot team, is now at Camp Borden where he is playing for Army Service Corps, expected to meet the armored corps winners in a district army title match. Les Colvin of Oshawa, once with Washington Lions, is guarding the nets for Service Corps.

Owen Johnston, who, after a fine season with East York juniors in 1939, was imported to Aurora to play with the Tigers in 1940 and turned out to be a "fancy Dan" skater but unable to hold his own on the ice, has joined the Canadian ice hockey team and is now on active service at H.M.C.S. Deep Rock, Halifax. Practically the entire Tigers roster, including the executive with the exception of Jimmy Cummings and Gordy Brennan, both rejected because of physical ailments, are now on active service.

We received a letter the other day from Lieut.-Col. C. R. Boulding, who was one of the leading lights in putting Aurora on the hockey and ice map. "Doc" is now in London, Ont., military hospital and he speaks for all North York sportsmen when he refers to the fine record of military service set by Aurora athletes: "When I think of all our boys (Aurora, Newmarket, Richmond Hill, etc.) who played baseball and particularly hockey for us, and realize in a small way the grand job they are doing everywhere they are, I'm filled with pride to think of having been associated with them and to know each one is doing his best to help win this grimmer game."

Intermediate group finals are under way. You read this, with Brampton, Bulls and T. and S. wing meeting in what should be one of the greatest series in army and intermediate history. The games are scheduled for Midland arena on Wednesday of this week and Monday of next and are a best of three series. Last week we managed to see the game at Newmarket with Brampton and the two games at Midland between No. 2 and Tech.

Brampton left no doubt as to superiority over Newmarket. The 8-2 score might have been even greater, and for those who had any doubts the game in Georgetown left no doubt. The Redmen fought hard but except for one or two players were outclassed man for man, and also for team-play. Cpl. Jack Wheeler and Walter Zukli worked like Trojans to stem the inevitable tide, but most of the other lads, noticeably Gar. Preston and Avison, have turned in better games over the season.

Despite the fact Johnny Callanan was the Redmen scoring star of the series, he didn't display his early season promise. Since he had his wrist injured, he has never seemed as effective. "Whitey" Williams of Stouffville, ex-Markham junior, who started the season with Newmarket camp but did not play any hockey at Borden, replaced Bob Finch, another Tech casualty and fitted into the scheme of things well. He showed the effects of a long lay-off but will improve.

Frank Mazza played the nets for both games and did well. Vastly underrated, even by his team-mates, Mazza kept his post when the transfer of George Brooks from No. 3 to T. & S. was refused and the shots that beat him would have fooled most netminders.

Ran Westbrooke of No. 2 was positively sensational in both clashes. He turned away over 40 shots in each game and on at least two occasions out-guessed the puck-carrier when the latter had only the net in front. A duel between Brooks and Westbrooke, with all things equal, would be worth seeing. The player situation for the final series may be changed. Brampton is anxious to use Jack "Dine" Inglish while Tech would like to add Kuntz of No. 1, Fennel of No. 2 and Brooks. Some kind of snow-off arrangement, totally involving the two clubs, may be expected.

**Hold on, Little Fella—
we're coming!**

Yes, babies have felt the impact of war just like the rest of us. Their big trouble has been the diaper shortage. It's been difficult for them and their Mothers, but now we have a solution. We have a new baby diaper, one that will last you a long time. It's made of soft, absorbent cotton. It's easy to put on and take off. It's the best baby diaper yet. It's the one that will last you a long time. It's the one that will keep your baby comfortable and happy. It's the one that will keep your baby's skin soft and smooth. It's the one that will keep your baby's clothes clean and fresh. It's the one that will keep your baby's room smelling sweet. It's the one that will keep your baby's life a lot easier. It's the one that will keep your baby's life a lot more fun. It's the one that will keep your baby's life a lot more beautiful. It's the one that will keep your baby's life a lot more meaningful. It's the one that will keep your baby's life a lot more precious. It's the one that will keep your baby's life a lot more valuable. It's the one that will keep your baby's life a lot more important. The colored slides shown at
the United church on Sunday
evening were interesting. Pic-
tures were shown of the work
of Dr. Dickinson of West China
University. Dr. Dickinson is an
agricultural missionary of the
United church.

Slides were shown of the im-
provement in fruit trees, grains,
cattle and goats. It could be
seen that a real contribution has
been made to the life of China
by this missionary church.
Rev. R. W. Serrick, who at-
tended the service, pronounced
the benediction.
There will be lenten mid-

subject for Sunday morning will
be "Branches and the Vine."
Mr. Lapp's evening subject will
be "The Unknown Soldier of
Calvary."

Three quilts were finished at
the Woman's Missionary Society
quitting in the United church
Sunday-school room last Thurs-
day. Two of the quilts were for
the missionary bazaar. The pro-
ceeds from one quilt were given
to the expense fund. A delicious
and beautiful pot-luck luncheon
was enjoyed and the proceeds
were given to the expense fund.

Mrs. J. Baines, head of the
supply committee, and her com-
mittee arranged the quilting and
luncheon.
In the afternoon, the regular
Woman's Missionary Society
meeting was held.
Mrs. Ernest Morton, the presi-
dent, was in the chair. Mrs.
Judd Cole assisted in the wor-
ship service. A letter from the
missionary for prayer, Miss Nel-

**MRS. EDWARD MORRIS
WAS CHURCH WORKER**

The Red Cross canvassers are
busy this week and are report-
ing a substantial increase over
the last canvass.

Mrs. Bain of Toronto, who has
been visiting at the home of Mr.
Harry Hulse, returned to the
city on Sunday evening.

Pte. and Mrs. Harry Toombs
and baby are spending a few
days at the home of Mrs. Mc-
Kenzie.

Mrs. Norris, wife of Edward
Norris, Queensville, and sister
of Silas Sennett, died suddenly
on Sunday evening at York
County hospital. Mrs. Norris
had been in poor health for
some months.

Mrs. Norris was a member of
Queensville United church for
many years and took a keen
interest in all its work. She was
a member of the Women's Asso-
ciation and secretary of the Wo-
man's Missionary Society.

Mrs. Norris was always ready
to do her full share of the work.

The funeral, which was held
on Wednesday, was largely at-
tended. The services, which
were held at the house and
in the church, were conducted
by the minister, Rev. Hugh
Shannon.

Mrs. L. Irwin is home from
the hospital and is getting along
nicely.

The skating carnival, held in
the Queensville rink, was quite
a success. The following were
prizewinners: ladies' costume,
Glady Dew and Gwen Boyd;
St. Patrick's, Audrey Eves;
comic, Angus Smith; best skater,
Evelyn Crouch; best couple,
Evelyn Crouch and Bob Eng-
lish; speed skating, Bob English;
boys under 12, Reg. Strasser;
girls under 12, Margaret Main-
prize; best patriotic, Nancy
Kavanagh, age four, dressed as
a Red Cross nurse.

A group of Toronto business
men will conduct the service in
the Baptist church on Sunday
at 3 p.m.

Miss Marion Rogers was visit-
ing at her home last weekend.

Mr. and Mrs. Roy Coates and
family visited at the home of
Mrs. Fred Rogers on Sunday.

Mr. and Mrs. W. Williams
visited Mr. Williams' parents at
Flesherton recently.

Miss Barbara Sweet, Toronto,
visited Mr. and Mrs. W. H.
Britton last weekend.

Mrs. Panting, Toronto, visited
her father, Mr. Levi Dodson,
last weekend.

The Red Cross nursing class
will be held on Tuesday, at 8
p.m., at the home of Mrs. J. L.
Smith.

MOUNT ALBERT C.N.R. SAFE AND FEED STORE ARE PILFERED

Thieves visited the village again on Sunday night when the C.N.R. station was broken into and the safe opened. They found little for their work. Mr. Kurtz's grain house was also gone through and the only thing taken was a dollar watch but papers were badly upset and strewn over the floor.

A window showing the pictures of all those in the service is being arranged in Leadbetter's store. Anyone who has any pictures to add to it is asked to please hand them in.

The robins are here. They came back Sunday morning and were ready to be fed by the many bird lovers.

The Horticultural Society held its meeting on Monday evening in the United church. A set of slides on beautification of schools, churches and public buildings was shown. The slides gave many good ways to improve the village buildings. Now is the time to begin planning for spring and to join the Horticultural Society. Those

wishing to secure one of the fine options offered this year must be a member by March 21.

Mr. and Mrs. Frank Jones have moved into Geo. W. Harrison's cottage on Centre road. Mr. Jones has been engaged to work on Mr. Harrison's farm. Now is the time to look for up-to-date magazines and the odd book that can be passed on to those in the service. Residents are asked to bring them to the post office.

The Y.P.S. of the United church is preparing a hilarious comedy, "Sunbonnet Jane of Sycamore Lane," to be given in the town hall on Friday, March 31.

Mr. Reg. Scott, recently discharged from a military hospital, spent a few days with his brother, Mr. Chas. Scott.

The W.M.S. and W.A. of the United church will hold a joint meeting in the church on Monday evening at 8 o'clock.

Mr. and Mrs. E. Wrightman, Catherine and Marilyn, Newmarket, spent Sunday with Mr. and Mrs. W. R. Steeper.

Mr. and Mrs. Donald Davidson, Newmarket, visited Mrs. A. Sheppard and family on Monday afternoon.

Among the out-of-town relatives attending the funeral of Mr. A. Sheppard on Tuesday were Mr. and Mrs. S. J. Pegg, Keswick, Mr. and Mrs. Wm. Pegg, West Hill, Mr. and Mrs. J. Johnson, Brooklin, Miss Bessie Pegg, Toronto, Mr. and Mrs. Herb. Moorby, Gormley, Mr. and Mrs. Emerson Sheppard, Cedar Valley, Mr. and Mrs. Lloyd Pegg and Mr. and Mrs. Morley Pegg, Sutton West, Mr.

and Mrs. Myron Spaulding, Newmarket, Mr. and Mrs. Clarence Crittenden, Keswick, Mr. and Mrs. Jack Bosworth, Mount Pleasant, and Mr. Mulock Pegg and Miss Gertrude Pegg, Holt.

Miss B. Pegg returned to Toronto on Thursday after spending a few days with her aunt, Mrs. Arthur Sheppard.

Mr. and Mrs. McBride and family of Toronto were Sunday guests of Mr. and Mrs. Boag and Janet.

Mr. Walker Prosser and son, Cecil, Belhaven, attended the funeral of the late Mr. A. Sheppard last week.

The Mount Albert unit of the Red Cross made the following shipment last week: 25 dressing gowns, 54 pillow slips, 25 sheets, six girls' skirt and blouse outfits, one boy's blouse, six large quilts, seven cot quilts, one green blouse (lady's), 21 handkerchiefs, ten survivors' sweaters, turtle-neck, four prs. gloves, six prs. 18" seamen's socks, 20 prs. grey survivors' socks, one child's amputation cover, one child's sweater-coat, one girl's dress.

The Zephyr war workers made the contribution of pillow slips and sheets.

Mr. and Mrs. Don. Loach and Mr. and Mrs. Frank Gore, Toronto, were weekend guests at the home of Mr. and Mrs. Jas. Rennie.

Mr. Harold Hayes is in bed with an injured leg, the result of being kicked by a horse.

The hall board is having a St. Patrick's dance on Friday evening.

Mr. and Mrs. Geo. Wilson, Toronto, spent the weekend with Mr. and Mrs. Robt. Wilson.

Mr. G. W. Harrison of the Centre road has been confined to bed with a heart condition.

Mrs. Bruce Davidson is spending a week in Toronto with Mrs. C. W. Davidson.

Misses Margaret and Betty Ross, Toronto, were weekend guests at the home of their parents, Mr. and Mrs. K. Ross.

The Red Cross needs blood donors urgently. Those willing to make a donation are asked to leave their name with Mrs. Carruthers. The next clinic is March 24, at Newmarket.

"We are never too old to learn; part of our war effort is to become better educated," Miss Esther Slicker told the ladies who found time to take the short course on kitchen time-savers last week in the Red Cross classroom.

"The successful kitchen is an enjoyable work-shop," she said. "Make the best of what you have."

Miss Slicker gave the ladies many helpful hints to carry out.

**Horticulturalist Tells
How Plants Are Fed**

(By Rudy Benzies, Newmarket Horticultural Society)

The roots are the feed channels of the plants. They absorb the liquid food, the only form in which it can be assimilated. The food is taken up at the extremities of the roots and through the root hairs, when such are present. The ends of the roots act as sponges, that is, they absorb the moisture.

It is important to see that roots of plants are strong and healthy. The main tap root is, of course, important to keep the plant firmly in the soil, besides being the carrier of the fibrous and hair roots.

The cultivator should aim at keeping the fine roots near the fertile top soil. This soil is kept in good condition by manure and other fertilizers. The action of the roots causes changes in the soil structure by forcing the particles apart.

New root hairs are constantly forming back of the growing tip, taking the place of the older ones as they die off. The hairs produce an acid which dissolves some of the constituents of the soil, so it can be used by the plant. The roots also absorb oxygen contained in the soil. Plants must receive a certain amount of oxygen through the roots or they will die from suffocation.

In this process carbon acid is thrown off and with the moisture of the soil converts the carbonates into soluble bicarbonates. This is the reason why we cultivate, thus admitting oxygen to the roots for absorption. The leaves of a plant also take up food but that's another story.

Are you a member of the Newmarket Horticultural Society yet?

Suggest Road Widening As Post-War Project

North Gwillimbury township council met at Belhaven on Monday, March 6. A resolution was passed petitioning the department of highways for the statutory grant on a road expenditure of \$14,593.57 for the year 1943.

The council approved a donation of \$25 to the Hospital for Sick Children, Toronto.

There was some discussion of having a plan made of the lake shore portion of lot 19, con. 2. The clerk was instructed to get a surveyor's estimate of cost. It was also suggested that a survey be made to fix the boundaries of the fourth concession from the county road north to the lake shore. This road carries heavy summer traffic and it was thought that widening and improving it might be one good scheme to provide post-war employment.

Payment of the following accounts was approved: Ewart Mainprize, wood, \$450; E. Peters, \$5; H. E. Livingstone, refund, \$16; Fred Peel, \$100; T. R. Sheppard, \$12; Dorothy Sadore, \$42; Hospital for Sick Children, \$25; R. Switzer, \$30; A. Walinck, \$2; W. H. O'Dell, \$6; Ben. Johnston, \$4; J. Harper, \$7; road voucher No. 3, \$166.50; Carl Morton, \$75; Harvey H. Taylor, \$15; L. J. Doyle, \$10; Jas. Nelson, \$5; Ross McMillan, \$10; Harold H. Glover, \$10; N. Robertson, \$5.

Welfare accounts: Sutton Dairy, \$11.20; Kellington's store, \$25; Walley Baisdon, \$12.50; E. P. Crittenden, \$14.30; M. O. Tremayne, \$3.22; W. A. Burkholder, \$19.45; Cook's Bakery, \$5.14; Archie Smith, \$5; D. J. Davidson, \$62; McGenerty's store, \$40; J. Nicklin, \$28; Angus J. King, \$10; township wood distributed for relief purposes, \$36.

The council adjourned until the next regular meeting date, April 4.

WHERE WE SIT

By DEL GIBNEY

An Outstanding Athlete

Harry Hulse of Queensville no doubt to many people of this district is a farmer. But being a successful farmer, he is also one of Canada's outstanding athletes.

When a kid living in Toronto at the age of nine he was interested in ice skating and spent many of his spare hours skating on any sheet of ice he could find. When he found this was not satisfactory he would take his skates under his arm and walk a couple of miles to the old Mutual St. arena and split in for a few rounds to get speed.

In the early days no one was interested in his ability to skate, and no one gave him encouragement, but he still had hopes of being a speed artist.

Soon at every ice carnival throughout the district Harry was Johnny-on-the-spot to show the fans that all the time spent on his skates had not been wasted, and usually he would come home with the bacon.

The next few years Harry won many trophies and medals as a speed skater, later joining the Toronto Athletic club to become one of Canada's outstanding bicycle racers and speed skaters.

In the 1890's T. W. Eck, one of Newmarket's old boys, who was born at Pearson's Crossing, was an athlete, so a ch in Minneapolis. While visiting in Toronto he learnt that Harry was a marvellous speed skater and invited him to come to the States the following winter.

Harry jumped at the chance, and the next winter was coached and managed by T. W. Eck. Later in the season John S. Johnson and Harley Davidson, both of Minneapolis, joined the party, and with many hours of good coaching and practicing this foursome won a great number of championships.

John S. Johnson holds many records in speed skating for 100 yards to ten miles at the B series. At Cleveland in 1894 Harry competed in the quarter-mile race and broke all records, skating the distance in 36 seconds from a standing start. This record still stands as the world's fastest quarter mile.

This foursome travelled U.S.A. and Canada, putting on exhibitions of speed skating and competing against Norwegian speedsters for world honors.

At his home in Queensville Harry is the proud owner of the first pair of tube speed skates ever used in Canada or U.S.A. They came from Norway.

Harry had the distinction on one occasion of being invited to take part in a skating exhibition before the governor-general of Canada.

T. W. Eck, coach and manager of this threesome, later coached ladies' athletic clubs in the States and Canada.

Kids Are Good

Maizey doats and dozy doats and little kids did dive down at Stan Smith's ice palace on Thursday evening.

Marwood's favorites were nosed out of the championship in the dying moments of the public and separate school hockey finals by Firth's less experienced midgets, taking the game 4-3 and earning the right to journey to Toronto to see the Maple Leafs in action this Saturday evening.

Young Cain, trailing the left boards, and Thoms, taking care of centre ice, show promise of following in the footsteps of famous uncles, Herbie Cain and Bill Thoms, whose hockey careers started with this same school league.

Captain Leads Team

Captain Ernie Bennett leads his team-mates for the season in the five-pipe league, rolling a 196-point average for 54 games. Sid. Simons has 189, Lyle Bond 188, Russell Hughes, 187, George Close 187 and Harry Wesley 170. The team average is 186 points.

Muskies on the Run

Ernest Prosser, game supervisor of York county, has informed Bert Morrison, issuer of hunting licenses, that the muskrat season opened last Saturday, March 10, for York county.

HOPE

Hope, March 6—Mr. Morris spent Friday evening with Mr. and Mrs. Bain.

Mr. Hoyle Bain and family and Mr. Bain's sister-in-law from Peterboro visited at the Bain home on Sunday.

Miss Beverley Mount celebrated her 13th birthday on Thursday by entertaining some school friends after school.

Mr. and Mrs. Robert Blackwood, John and Harold, visited Mr. and Mrs. B. Lloyd on Sunday.

Mr. Fred Mills and Miss Mary Mills, Newmarket, visited the Hoyds on Tuesday.

The W.A. meeting at the home of Mrs. B. Pegg on Wednesday was well attended.

Entrants for the amateur contest, which begins at 7 p.m., should contact either Mr. or Mrs. Wm. Davidson, Keswick, previous to the date of the contest.

Mount Albert orchestra will provide music for the dancing. Lady canvassers will contact residents for a contribution of food for the pot-luck supper.

Large eggs were 35 cents, medium eggs, 30 cents and small eggs, 27 cents a dozen at the local market on Friday afternoon. Butter was 40 cents a pound.

Chickens were 35 cents a pound. Katahdin potatoes were \$1.90 and Chippewas were \$1.85 a 75-lb. bag.

Whitefish was 25 cents a pound. Spy apples were 49 cents a 6-quart basket and \$2.50 a bushel. Carrots were 30 cents a 6-quart basket.

DOWN THE CENTRE

(Continued From Page 6)

Larry Molyneux, Newmarket and Iktangars hockey star of other days, was a spectator at the Newmarket game and expressed himself as disappointed in the class of play seen after all he had read.

He liked the work of Wheeler, but was unimpressed by either Zukl or Callanan. Regarded Joint McComb as one of the best amateurs in the game today and told us Cleveland Barons wanted him last winter but he advised him not to sign in view of the "chicken-feed" (hockey salaries) offered.

He had a reunion with Vern Ayres, giant Brampton defenceman with whom he played at Philadelphia. Says Ayres, while a bit slower, is nearly as good as ever. Vern is older than "Molly" too. He has not seen a pro game this season and figures the calibre of hockey is away down.

"Guess I might even have made the grade this year," laughed the big fellow, "but I'm glad I quit when I was still able to hold my own."

When Larry is employed as a salesman with a Montreal brewery and right now is on a business administration course with his firm. He has more than made good in the business world.

Bobby Dadds, ex-coach of Midland juniors, was one of those who had a fanning bee with at Midland. Dadds is now at Three Rivers, P.Q., where he is a boxing and wrestling impresario and hockey referee in his spare moments from war work. He figured Aurora Tigers were as good a junior team as he had seen in the B series.

Cassidy, who played centre for Midland juniors in 1940 and whom we personally regarded as one of the best juniors of the year, is overseas now and playing hockey too, he says. Cassidy was on the Cleveland pay-roll when at Midland and later played with Toledo before enlisting early in the present war.

Dadds thinks Quebec Aces are a cinch for the Allen cup and says the calibre of hockey played in Quebec is fast improving.

Major Norm. Johnson, ex-coach of Aurora high school basketballers, like all the officers at T. S. wide is one of the big supporters of the Tech. team. In addition, Major Johnson handled the D. & M. team in the North Zone O.H.A. group. D. & M. just failed to make the play-offs. Ordinance won the title, defeating Angus Bombers, coached by Cpl. Howard Leonard, formerly of Aurora, and featuring Stan. Evans of Newmarket as one of its playing members.

Herbie Cain hung on desperately to his scoring lead as the weekend ended, and, with only a few games to go, the interest among North Yorkers in this end of the N.H.L. is fast mounting. In a recent interview, Herbie says he has had the most trouble scoring when his rivals, Lorne Carr, Leafs, Bill Mosienko, Hawks, and Joe Carveth. Wings, were playing right wing against him. "I can't concentrate on goals myself, I'm trying to protect my lead by keeping them from scoring," says Herbie.

We notice Bill Cowley won the most valuable player award from the Boston sport writers this season, and, while we admit the presence of Cowley might have made a big difference in the Bruins' ultimate standing, we feel Cain might well have got this honor, for, with Cowley out, he bore the brunt of the attack and even with Bill in the scoring race, Cowley missed 14 games through injuries over the season, while we think Herb. was away for only two fixtures and played with a wide variety of Boston forward combinations.

Navy Juniors bit the dust in the A series to Hamilton Whitecaps as we expected, but they went down fighting. It was a mistake for them not to have played junior A all season rather than prepare for the play-offs by playing against junior B teams.
